

BRUFFEY MANOR

CAST

BOBBIE GUBANSKI	Radio Announcer. She's looking for an opportunity to move into the big time. The wrong decision may get her a big time funeral.
ANN FRANKLIN	A scientist with good credentials. Well maybe pretty good. Well, at least she graduated from some place.
EDIE PARKER	Sister of Connie Parker. Very tough. Roller Derby heroine. Out to prove something. We aren't sure she knows what yet.
CONNIE PARKER	Edie's sister. She goes where Edie goes. Very loyal, but now beginning to realize the difference between loyalty and stupidity. This may be the last shared experience if Edie doesn't use good sense.
MARY LOU DESMOND	Delivery driver. We don't know what she is doing in the game. Neither does she, but we needed another player to even things out.
ROBIN DIXON	She just wants a good night's sleep. Not all the hassle she is going to get when this group invades the scene.
BECCA BRUFFEY	Her name appears to be remarkably similar to Bruffey Manor. Could there be a connection or is this a coincidence.
SUSAN FOLSOM	She hopes to be able to gain from this night's activity. She knows what FBI means. It is interesting that her name is the same as a large prison in California. Maybe she doesn't have much imagination in her choice of an alias.
SCOOTER	A pizza delivery gal who wants to make something more of herself than a cheese slicer.
WINKIE	Scooter's friend and companion for this delivery. Not afraid of dark places! She believes Scooter who has said before that there is something strange about the Manor.

JEANNIE FAMBRINIE	Deals in tickets. She can fix yours if you pay her. Deals in death.
TRIXIE WINTROP	Very nice person except for her pet likes. One of those people you enjoy as a stranger.
ELIZABETH YANCY	Very slight law enforcement record. Family problems over the normal reason ---- money.
EDITH ZENITH	Had an abnormal childhood. Worth staying on the other side of the party in case she wants to talk with you.
FERNY REER	One of the highlights of her night is to find a "Queen Frilly". Is there a fungus among us?
ENIALE	Poor Peru, they really miss you. They need you there. Your family does know how to spell their name.
IRENE ANSIN	Loves to play games. The Manor may not be as much fun as she thinks. Some of the inhabitants don't like to be bothered.
RUTHIE ROGERS	You are tired of jokes being played on you. You are going to stop this tonight at the Manor. Be advised, enough is enough!
KARIN OLIVER	Life has been dull so far. We hope you don't find more excitement than you want at the Manor.
TIG	You really don't belong here. Maybe you should not be here! Is it too late to excuse yourself from the party?
