TRUDY WICK	Editor of the school year book. Pretty nose, but claims she is writing articles for the paper. She knows lots of secrets. Is here because she is the Editor.
MAY BEE	A 20 year old Sophomore. Was “Miss Clean Up” at the school track games. Is teased about her age and won’t say why she is so old.
JUDY GREEN	A nice Senior who was the President of the National Honor Society. Some think she is a spy for Principal Ballenger and was sent here to report on how the other girls acted.
ELLIE KELLY	Cheer Leader and Home Coming Queen. Beauty runs in her family. Some think it is Black Beauty, the horse. Sour grapes.
TAFFEY PULLER	Junior who is the Volley Ball team captain for next year. One of the real favorites at school with the boys. Has four Varsity Letters already.
BELLE RINGGER	Her family must have really had a grudge against her to give her a name like this. She is really a nice girl. Well, sort of nice. At least she has a nice smile.
PEARL DIVER	Student Council President for the last two years. Now she is a Junior and wants to organize the annual musical. Has chosen “My Fair Lady” because she says she can play the lead with her talent.
VAL N. TINE	A counselor of Lizard Cabin. Freshman in College and at the camp because she won a special award for swimming at the Junior Olympics.
CANDY KANE	A counselor in the Toad Cabin. A Sophomore who was also a winner at the Junior Olympics in Tumbling. Likes to read mystery novels and sun herself.
BUNNIE RABIT	Freshman invited to the camp because of her outstanding support of the Girl Scout Cookie drive last year. A mysterious benefactor has paid her way and asks that she be housed with the Shampoo girls.
