

CASTLE GLENN

CAST

| | |
|-----------------------|---|
| CHESLEY CRUMB | Never likes to be in tight places. A little bit flighty. |
| LULU HUDSON | Likes kids. Is she a goat lover? Or loves "old goats"? |
| JACK MILLDEW | He is for the birds. Also a seeker of animals. Has not said too much about people. |
| PENNY WYZE | Counts her pennies (and any thing else that she can find). |
| ROGER GLENN | One of the family. A real bounder (or a flounder). |
| ANDIE SPANG | Just a young woman trying to get ahead in the world. We hope she doesn't lose her head over the Castle. |
| EXINIA ESCOBAR | Is paid to be ahead of everybody. She may be as strange as her name. |
| PAUL KILLROY | Probably needs to spend more time with the root beer and less time with the grog. |
| L. Q. ST. JOHN | Not much need to look any further if this is a traditional mystery. Is he that traditional? |
| RUTHUR SHOTT | A determined protector of human rights. Does not believe in roosters crowing at midnight. May have to close the tavern at 9:00 PM if this keeps up. |
| CONNIE MANN | Buys and sells old things. Clings to old price for things she buys. Believes in "Buyer Beware" policy. No refunds, just exchanges. |
| C. D. BEE (Female) | Likes small things. If you like 'um you do. If you don't, you don't. Who are you to be so critical! You didn't write this game anyway!!! |
| CHRIS (female) | Becomes very distressed around omelets. Was Humpty Dumpty a relative? Bears watching! Watch out for bears also. |
| "JACK" B. NIMBLE | Just a poor working man trying to make ends meet with the price of a game of darts going up. |
